RE: 2024 Solid Waste Disposal Residential Services Rate Adjustment

Dear Ms. Montana:

In accordance with the terms of the franchise agreement between Rainbow Disposal Co., Inc, a Republic Services Company and the Sunset Beach Sanitary District, the projected percentage of increase or decrease in the rate is based on the Bureau of Labor Statistics Water, Sewer and Trash Consumer Price Index (CUUR0000SEHG) for the United States from March to March of the preceding twelve (12) months.

For 2024, the rate increase is (299.183-284.166) / 284.166 = 5.28% effective 7/1/2024 (Appendix 1). However, the annual adjustment is not to exceed 5% so the new residential rate will be \$25.93.

Table with 4 columns: Residential Rate, 2023 Rate, CPI %, 2024 Rate. Rows include MRF Rate, Resi Svcs, and Total.
